

**Extra Curricular Activities (ECA) Choice Form:**

Dear Parents,

We are excited to announce the Term 1 ECA program here at SZPAB. We have designed an enriching after school program that will motivate your child to participate in an exciting learning opportunity outside the classroom.

Please see below a choice of ECA's that your child can participate in after school. Due to limited places in each of the clubs you must give a choice 1 and 2 to which club your child would most like to participate in. We will do our very best to accommodate their needs. Please note that the clubs do NOT cater for every grade and that there are selected clubs for each grade level. **Clubs will last 45mins 3:15 - 4:00.** Please turn the page over to see a description of each of the clubs. Please take time to read this before making your decision.
