

الاعتزاز بالماضي. الإعداد للمستقبل.
Honoring the past. Educating for the future.

Dear Parents,

Please be aware that your daughter will be taking MAP tests next week. MAP testing is a test that gives teachers and students a good idea what skills the students understand well and what they still need to work on. It is very important that the students do the very best they can on these tests. This year, MAP testing has two differences:

- 1. MAP testing is worth 20% of the students' Final Term Grades in English, Math and Science.**
- 2. Students will take the test on their own personal devices (iPad, MacBook or Laptop).**

Students who have been issued a device and have access to it must bring their device to school. Students who forget their device **will not** be issued a replacement and will lose 20% of their final term grade for that subject. Arrangements will only be made for students who have seen Ms. Karen about lost or broken devices.

Any student missing a MAP test will need to provide an attested medical certificate as per MOE/ADEK requirements for MOE make up examinations. Students who do not produce an attested medical certificate will not be eligible for a make-up test and will receive no grade for the missed exam (20% of their Term 3 final grade). Students attending **school approved activities (ADEK PISA Exam & field trips)** will be allowed to make up the tests without a medical certificate.

Preparation for MAP Testing

Students must ensure their devices are:

- 1. Updated with iOS 11.3.1 (ipads).**
- 2. Connected to school wi-fi.**
- 3. Not logged in to personal icloud account.**

On 6 May, students will be able to verify their device is test ready. **They will need to have their Ipad/MacBook/Laptop at school every day for the MAP tests beginning on Sunday, 6 May.** Students in Middle School and High School will begin their MAP tests on 7 May 2018.

The student scheduled is attached.

Remember, the MAP tests are worth 20% of the students' Final Term Grades in English, Math and Science.

Please feel free to contact me if you would like further details.

Kind Regards,

Ms. Wanda, Testing Coordinator
