

Dear Parents,

Re: Assessment Dates

To help support your child further with assessment preparation, please find a link below that will take you directly to the Secondary Assessment Calendar.

https://docs.google.com/a/zayedacademy.ae/spreadsheets/d/17_0omxiSVV2YT1TLfebZxs6vkcelYC9TjHCab43ucmU/edit?usp=sharing

This calendar contains the current dates for all of Term 2's assessments for each grade and subject. Please note, this is a working document and these dates may need to be updated to best support student progress so you will need to check the calendar regularly. Timely notice of any changes will be conveyed to students.

There are many different forms of assessment, such as multiple choice tests, project work, short essays and quizzes to name just a few. Assessments are not the same as the end of term exam (although they are completed in independent conditions to best show your child's attainment and support her progress and, once completed, cannot be retaken).

We look forward to a fantastic second term of progress and wish you all a lovely holiday break.

Kind regards,

Miss Loretta Conway
Head of English/Curriculum
